WILSON AND TAFT TO SPEAK IN GOTHAM

Before Committee Advocating League of Nations—Senators To Air Their Views Some More.

(By Associated Press)
Washington, Feb. 27—President Wilson today accepted an invitation to speak in New York next Tuesday night on the eve of sailing again for France. Former President Taft is also expected to speak. The meeting will be held under the auspices of the committee representing the various societies advocating the League of Nations.

Renewed discussion of the League of Nations today in the capital cloak rooms followed the White House dinner last night at which the President outlined the reasons upon which he predicated the belief that future peace of the world rests upon such an organization. Republicans opposed to the League plans, however, have apparently not changed their views and will continue to voice their opposition in the Senate until Congress adjourns next Tuesday. There will be replies from the democratic side. Chairman Hitchcock, of the Senate Foreign Relations Committee, is planning to speak late today. Senator Lodge, the republican floor leader, has completed his address and will speak tomorrow.

Washington Welcomes Wilson

(By Associated Press)
Washington, Feb. 27—Washington gave President Wilson a formal welcome home today by turning out in thousands to cheer a parade down Pennsylvania avenue headed by the President in honor of the home coming soldiers of the capital. It was the President's first public appearance since his return from France. He was given an enthusiastic greeting by crowds as he marched behind the marine band, shouldering a big flag and escorted by a committee of citizens. He marched a mile and a half and then took a seat in the reviewing stand beside Mrs. Wilson.

VICTORY LOAN COMING.

Washington, Feb. 27—The Victory Liberty Loan bill passed yesterday by the House was ordered favorably reported today by the Senate Finance Committee without change in its form.

WILSON TO TALK TO CONGRESS

Swiss Start Wild Report

(By Associated Press)
Geneva, Feb. 27—Last evening's newspapers print a Berlin dispatch stating that owing to the sudden suspension of the armistice negotiations, the German commission left Spa for Berlin with no reason given.

NO CONFIRMATION HAD

Washington, Feb. 27—No advices have been received here to cast doubt on the earlier dispatches reporting conclusion of the armistice negotiations, with the German acceptance of their renewal on drastic terms. Officials here believe the Swiss publication to the contrary is based upon misinformation.

NO WONDER PORK'S HIGH

A friend sends in the following from the Cincinnati Enquirer of February 20th:

"Springfield, O., Feb. 19—One of the biggest sales of Duroc Jersey hogs was held by Ira Jackson, near Tippecanoe City. 53 sows sold for an average of \$1,030. One sow was sold to Pine Crest Farm of Mississippi for \$3,500. Jackson's Top King, a boar brought the top price of the sale, going to F. G. Goodhar, of Tennessee, for \$10,500."

Here is something for W. B. Turley to shoot at with his Silver Creek Berks hares. Mr. Jackson is McKee Bros' auctioneer and some hog man.

MOTHER! GIVE CHILD

"SYRUP OF FIGS" IF TONGUE IS COATED

If Cross, Feverish, Sick, Bilious Clean Little Liver and Bowels.

Children love this "fruit laxative" and nothing else cleans the tender stomach, liver and bowels so nicely.

A child will simply not stop playing to empty its bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat sleep or act naturally, breath is bad system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by the "California Fig Syrup Company." Refuse any other kind with contempt. 1t

Hun Monarchists May Plan To Seize Control

(By Associated Press)
London, Feb. 27—Monarchists of Germany are contemplating an early coup d'etat in the opinion of the Mail's correspondent at Berlin who says old officer class with its general staff, has been gradually getting the whip hand there and now holds the government in its power. He says it would be confined to Berlin, probably, and would succeed for a time and would result in ruthless civil war and political murders. It is alleged the plot is said to be aimed at overthrow of the present government and restoration of the old order of things.

"BILL"—VALUABLE PONY DIES

The daily pedestrians who frequent Main and First street corner, will greatly miss the sight of a pretty bay pony owned and loved devotedly by little Beverly Reid. "Bill," as he was known to all, died Saturday afternoon of pneumonia after the best treatment medical skill and kind hands could offer. Dr. Griesbach attended him night and day, especially while grave illness was so marked. He was especially well known to the traffic officers and city police. He seemed to have a private lien on the "watering place" at the court house, and frequently each day would slip his bridle, walk over to the pool and stay indefinitely, then parade around the court house square, later returning to his stamping ground in front of the drug store. Bill Martin, colored, his ever faithful friend, who brought him first to Madison county, performed the last rites over the body, and buried the best piece of horse flesh ever known in ponydom. Fabulous offers and pleadings have been refused and declined on numerous occasions by those who had heard of his clever tricks and value.—Contributed.

Here, There, Everywhere

Col. R. A. Swigert, of Lexington, died suddenly at his winter residence at Pinehurst, N. C., of apoplexy. Col. Swigert was for many years a prominent member of the winter cottage colony there.

Mrs. Nannie Wilson Prewitt, wife of Clifton J. Prewitt, died at her home in Montgomery county Monday. She was 70 years of age and numbers two prominent physicians among her five sons.

Penmoken Farm of 181 acres on the Lexington and Nicholasville pike, during the life of the late L. C. Price, devoted to the breeding of Shetland ponies, was sold by auction in six tracts to half a dozen purchasers for an average of \$655 an acre.

Five hundred persons were present at Somerset Wednesday night at the opening of the first demobilization and reconstruction conference held in Kentucky. Edwin P. Morrow and

Harry V. McChesney were the principal speakers.

Prof. W. P. King, superintendent of the Newport city schools, was in Richmond the other day. He is a candidate for Superintendent of Public Instruction before the democratic primary in August. He saw a number of leading citizens and made a favorable impression. Prof. King is regarded as one of the strongest school men in state. He has had experience from the rural schools all along the line up to the position that he now holds.

Green Hill's estate in Fayette county, owned by the late James B. Haggin, and now owned chiefly by Mrs. Pearl V. Haggin, of New York, is to become the property of a syndicate headed by Charles H. Berryman, former manager of the estate, and composed of Leonard G. Cox, Dr. Samuel H. Halley, Henry Martin, of Midway, Hal Price Headley, and probably two other men. The deal involves the Green Hills mansion and about 600 acres of land. The price is reported to be \$450,000.

This good roads movement is spreading everywhere. Up in the mountains the Old Dominion and Big Sandy Highway Association has been organized at Pikeville with a large membership following a banquet at the Pike Hotel in which Congressman John W. Langley, Judge John F. Butler, and Commonwealth's Attorney R. M. Field, were the speakers. The association will foster and push for the construction of the Big Sandy Highway, to run from that point near Jenkins, Perry county, on the Virginia border, through Pike, Floyd, Johnson, Lawrence, and Boyd to Ashland, a distance of about 125 miles, penetrating the whole of the Big Sandy coal fields.

Among the candidates who went the "hot sands toward Mecca," at the ceremonial of Oleika Temple, of the Mystic Shrine at Lexington the other day, were the following Masons from this section: Charles Benton McGuire, Charles Beach, Beattyville; Thomas Ott Hoover, Beattyville; Earl Garret Beattyville; Woodford B. Corbin, Irvine; Wayne Taylor Lafferty, Irvine; Charles Hood Reeves, Richmond; Emory Townsend Hill, Jackson; Virgin Stanton Beatty, Beattyville; Scott T. McGuire, Berea; Robert Henry Christman, Berea; Henley Vedder Bastin, Lancaster; John Nicholas Ross, Lancaster; John Francis Logan, Beattyville.

Dr. Burris A. Jenkins, pastor of the Linwood Boulevard Christian church, Kansas City, Mo., and editor of the Kansas City Post, will be one of the principal speakers at the Congress of Disciples of Christ to be held in the Central Christian church in Lexington, April 22-24. His subject will be "The League of Nations." Dr. Jenkins was formerly president of Transylvania. Dr. E. Y. Mullins, president of the Southern Baptist Theological Seminary, of Louisville; Prof. Walter S. Athearn, Boston; Prof. E. E. Lumley, of Indianapolis; H. H. Harmon, of Lincoln, Neb. and Dr. E. L. Powell, of Louisville, will be among the speakers.

\$60 BONUS FOR MEN WHO SAW SERVICE

Hundreds of Madison Boys Now At Home Have This Sum "Coming To Them" Under New Law

Every Madison county boy who was discharged from the army or naval forces of the United States will receive a bonus of \$60. This was assured by the act of Congress, which became a law when signed by President Wilson yesterday. There are now some hundreds of Madison boys who were discharged without receiving the bonus which the act entitles them to, and all they have to do is to send in their papers. Major Stone Norman, has been designated to assist them sending in the proper papers, etc., and by applying to him in his rooms in the Collins building on West Main street, they can ascertain just what steps to take in the matter.

There has been considerable agitation in some quarters for the enactment of what is known as the "Shafer plan" into law. This would give every man who has been in the service 12 months' extra pay—upon his discharge.

Under the law as enacted, however, the enlisted men receive \$60. Since the signing of the armistice 68,320 discharges have taken place at Camp Taylor, Louisville. These officers, privates and nurses will receive \$4,099,200.

Orders have been received at Camp Taylor from Washington to the commanding general at the camp, to start immediately the payment of the bonus to all persons leaving the service.

This bonus will be paid every officer, enlisted man and nurse discharged from the American military and naval forces.

The telegraphic order says in part: "All persons serving in the military or naval forces of the United States during the present war who have since April 6, 1917, resigned or been discharged under honorable conditions will be paid the \$60 bonus."

The order says that officers will have one year from the termination of the war in which to make application for the bonus.

Officers at the camp interpret the order to mean that men who were drafted into the service and were accepted and finally assigned and then later honorably discharged for any cause would receive the bonus.

"Gets-It" Peels My Corns Off!

Use "Gets-It," peel off corn this way. Simple as putting on your hat. "Gets-It" does away forever with "contraptions," "wrappy" plasters, greasy ointments that rub off, blood-letting knives, and scissors that snip into the "quick." "Gets-It" eases pain. Your "jumpy" corn shrinks, dies, loosens from the toe. You peel the corn painlessly from your toe in one complete piece. That's where the picnic comes in—you peel it off as you would a banana peel. Nothing else but "Gets-It" can do it. Get Peaceful, common-sense "Gets-It." "Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfg. by E. Entered at the postoffice at Richmond Ky., as second class mail matter under Act of congress of 1875.

The Danville Messenger announces that it will soon change from a semi-weekly to a daily. This will give Danville two daily papers, one morning and one afternoon. Sort of rushing things for a town of that size with a county as small as Boyle, but the boys behind each paper are hustlers, and here's hoping they all succeed. Meanwhile the Advocate announces that it will install a Duplex press, like the Register has just contracted for.

MR. FAMILY MAN:

Why Spend So Much Money on Shoes?

Here is what Tracy Munson of Joplin, Missouri, says of Neelin Soles: "Judging from my own experience, they wear four times longer than other soles and have the additional advantage of being waterproof and slip-proof."

Why continue to wear extravagant old-fashioned soles when you can get these money-saving, long-wearing soles on new shoes in any style you like for any member of the family? Good shoe stores everywhere carry them.

And don't throw away your old shoes. Have them re-bottomed with Neelin Soles and enjoy the comfort of a re-soled shoe which is not stiff or clumsy. Neelin Soles are a discovery of Science, and are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

Opens Office In Louisville

News has been received here that two former Madison boys, D. C. Wiggins and Col. R. C. Oldham, now of Winchester, have formed a new oil company, and have secured a suite of rooms and opened offices in Louisville. It will be remembered that the Lincoln Oil & Gas Company was organized by these hustling young men several years ago, and which has turned out very successfully, stock now selling at a splendid figure. Mr. Wiggins also organized the George Washington Oil & Gas Company a few months ago with headquarters at Winchester, and it will be of interest to local stockholders to learn that several splendid leases have been secured lately. In an oil deal last week, Mr. Wiggins cleaned up \$1,300 on Pyramid stock, which he had owned only a few days. Their many friends in Richmond congratulate them upon their success.

WOMEN PRAISE STELLA-VITAE

We want every afflicted woman to try at least one bottle of Stella-Vitae on our plain, open guarantee to return the money paid for it if it does not benefit.

If you doubt our word that it will relieve the distressing aches, pains and misery peculiar to the diseases of women, read the testimony of these women who have tried it and are glad to tell others what it has done for them. The only interest they have in the matter is that which any true woman feels in helping to relieve the sufferings of other women. You can believe them.

Mrs. J. F. Lee, Milledale, Ga., had female complaint for years. Three bottles of STELLA-VITAE cured her, she said, and added, "I am certainly thankful for this great female tonic." Mrs. Paralee Frazier, Longview, Tex., expressed appreciation of STELLA-VITAE in these words: "I cannot say too much for this wonderful medicine. I had taken other female medicines for two years with no good results. I am truly grateful for the good STELLA-VITAE has done me." Mrs. Sandy Withers, of Greensboro, Ala., was a terrible sufferer from female trouble—and only a woman knows what that means! Her condition got so bad her pains threw her into spells like fits. Her husband feared she would lose her mind. The Greensboro doctors pronounced her incurable. Then somebody suggested that she take STELLA-VITAE. She did so. The first dose lightened her spells.

STELLA-VITAE is a perfectly harmless compound and it not only alleviates a woman's pain, but builds up her health; it stimulates her appetite, aids digestion, quiets her nerves and clears her complexion. It improves her personal appearance. All dealers sell Stella-Vitae, and are authorized to return the money paid for the first bottle if it does not benefit.

Normal School Notes

It no doubt, seems rather late to say much of the birthday of George Washington. But to show you some of the real spirit of the Y. M. C. A. we have the following:

Could George Washington have been at Sullivan Hall on last Friday evening and seen the dancing eyes and smiling faces, the bright costumes and flags displayed in his honor he would truly have been delighted that he had a birthday on the 22nd of February. The Y. W. girls who have been alert in the past year in the rendering of service to their country were responsible for this enjoyable celebration. Their guests were the Y. M. C. A. men and a goodly number of the Eastern faculty.

Upon entering the hall each was tagged with hatchets, some with cherries, some with Liberty bells, and what not that could be used at a Washington party. There were eight groups headed by the leaders who did the tagging, eight entertainers who were stationed in the Y. W. room, library, parlor, playroom. The groups visited the places in order and had the pleasure of playing cards, constructing unknown poetry, having their fortunes told and winning prizes in many interesting contests. In commemoration of the dance that Washington so often enjoyed several couples in the costume gave an exhibition of the "Virginia reel." After this delicious refreshments were served and the guests departed.

Dr. E. C. McDougall returned from Chicago where he had been attending the educational meeting which has been in session for the past week. This morning in chapel he gave us a very interesting talk on the late text books which were adopted for the coming five years. He hopes in time to give us more information on the various texts which are being used and point out to us the good qualities of these books and the reason for changing every five years.

The last basketball game which is scheduled for the Normal five on their home floor this season, is to be played tomorrow night in the Normal gymnasium. Game called at eight o'clock. This will no doubt be one of the best games Normal plays this year, and the Normal five feel as though they can carry off this game by a big score. So come out and watch the home team win. You can readily see that athletics are alive at Eastern. Even though our boys lose they still play for the sportsmanship there is in the game. Watch the Normal notes and at the end of the school year you will see the improvement of athletics in Eastern.

Too, the boys will start practicing base ball next week, since base ball season is almost here. Hurrah! For this is the national sport.

Mr. Ommar Howard, who has been visiting in Cleveland for the past week, is back in Eastern visiting his many friends.

Dr. Scrivner is visiting his son and daughter today.

The commercial classes under the supervision of Lieut. Compton, are progressing rapidly and he is to be commended for his ability to handle the work.

Robert Garrett, recently discharged from the navy, was on the campus today renewing acquaintance with the Normal students.

President Coates will return from Chicago tomorrow. He has been at-

\$1.50 to \$3.00. Every pair of overalls every pair of shoes, in fact everything that is bought carries with a bad road tax. Besides he cannot market his goods so he can really compete with men living on good roads. It would cost anywhere from ten to twenty dollars to haul to the market a load of timothy hay, 2,000 pounds of tobacco and the bad roads tax on one ton of such material would pay that man's taxes for good roads for a year.

In addition to all these things, good roads would allow him to visit his neighbors, go to church, allow his children to attend school and so many things that are desirable that it seems unnecessary to try to enumerate them in this enlightened age.

Let every man figure for himself what good roads mean to him and he will vote for the 20 cent road tax every time he gets a chance.

Prof. I. H. Boothe has resumed his work at the Normal after having taken a course in practical nursing. He went through a siege of the flu. His entire family of four members, Mrs. Boothe, and Walter Q. Park and family, were down at the same time. As no nurse could be secured, Mr. Boothe took off his coat, rolled up his sleeves and shouldered the task himself. He brought all his patients through nicely, but says he doesn't want any more for sometime. He is very thankful that he didn't take it himself.

Here, There, Everywhere

Miss Cynthia Davison, teacher of the sixth grade in the Stanford High School, came home Monday to be with her mother. The flu situation has become alarming in Stanford and school activities have been suspended. It is reported that there are 80 or more cases in town and some 300 in the county there and physicians are putting in their time trying to relieve the situation.

Miss Nannie Mae Davison spent the week-end in Winchester and Lexington with friends from Charleston, W. Va., who were called to the bedside of their relative.

The many friends of Mr. J. J. Embury will be glad to know that he is recovering from a severe attack of flu. Mr. Embury's case was a very serious one and friends were very apprehensive about his recovery.

Mr. Fields, of the Savage-Smith Lumber Company, has moved his family into the house recently purchased by Mrs. K. G. Wiggins, on Aspen avenue.

Miss Mary B. Clay, who has had rooms at the Glyndon, has engaged rooms with Mrs. Hattie Buchanan on West Main street.

Mr. H. H. Blair, who has been located in Richmond for the past year looking after the interests of the Hoffman Oil Company, has moved his family to Louisville. Mr. Blair and wife made many friends during their stay here, who regret to see them leave, but wish him much success in his new field.

The Chorus Class of Eastern Normal, under the direction of Prof. S. S. Myers, have their weekly practice tomorrow, Thursday evening at seven o'clock, in the Normal chapel. Several Richmond singers have joined the chorus, and the music for the May Festival this year promises to excel "The Rose Maiden," which was so capably rendered last year. New members will be welcomed.

Numerous friends of Mrs. J. W. Zaring will be very sorry to know that she is quite sick in a Lexington hospital. We hope to hear of her speedy recovery.

Mrs. George G. Corzeliuss, who has been confined to her room at the Hotel Glyndon for several days, on account of illness, was very much improved Tuesday.

Judge N. B. Turpin, Mrs. Turpin, and granddaughter, Miss Margaret Turpin, have reached their destination in Florida, having gone through in their Ford touring car.

Miss Frances Ford, Miss Thelma Robb, Miss Estelle Smith and Mr. Ralph Smith, of Lexington, composed a pleasant house party for the week-end entertained by Misses Allman & Collins street.

Miss Anne Camden, of Versailles, who was quite ill last week at Fort Ogilthorpe, Ga., is very much improved and Dr. Steadman, her family physician has returned home, having been called to take charge of the crisis.

Mr. Thomas Noland, an officer of high rank in the naval service, arrived Monday night for a visit with his wife and Miss Burnam Taylor, and relatives in the city. Mr. Noland serves on the high seas and has spent much time about Bermuda Islands and the western coast. Mr. and Mrs. Noland are visiting Mrs. Con Taylor and family on Broadway.

Quite a number of Madison county feeders have been laying in some light stuff to carry through the spring and summer. Col. N. B. Deatherage bought of Collins and Taylor, local stockmen, 30 head of steers that averaged around 700 pounds; to Henry Rayburn the same dealers sold 10 head that averaged 650 pounds.

Elks To Have Open Session

Richmond Lodge, No. 561, B. E., will have a large class to initiate and will also elect officers at its regular meeting the first Friday in March, which will be March 7th. After the formal ceremonies are over, a social session will be enjoyed by the members. These are always delightful affairs and much enjoyed by all. There are about 10 candidates for initiation; it is understood.

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haarlem Oil has been relieving the weakness and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haarlem Oil is inclosed in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haarlem Oil Capsules will keep you in health and vigor and prevent a return of the disease.

Do not wait until old age or disease have settled down for good. At the first sign that your kidneys are not working properly, go to your druggist and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.
